We are pleased to inform you that you have been named a 2014 Five Star Certified Public Accountant. Congratulations on being selected as part of this exclusive group of certified public accountants in your area.

You are being recognized by the largest and most widely published award program in the financial services industry. Your selection is the result of a rigorous research process that included a regulatory and consumer complaint review, and an evaluation of objective criteria associated with certified public accountants who provide quality services to their clients.

We will contact you shortly to discuss options and opportunities available to you as a Five Star Certified Public Accountant. In the meantime, you may contact Kim Gambill at (651) 259-1153 with any questions.

You are receiving an honor that reflects your hard work and dedication. We look forward to working with you to share your good news.

Sincerely,

A handwritten signature in black ink that reads "Charlie Wesson".
